

You Are Here Nomination Form

As part of the Minneapolis sesquicentennial, the Hennepin History Museum will present the *You Are Here* exhibit in public spaces throughout Minneapolis. The exhibit will pair a historic photograph with brief text about where the viewer is standing and how the site has changed over time.

Is there a site in your neighborhood that has a unique place in Minneapolis history? For example, a coffee shop that was once a car dealership? Or maybe a building that has remained unchanged, but the area around it has changed? If so, nominate it for the *You Are Here* exhibit.

Requirements include:

- An exhibit space (coffee shop, window space, etc.)
- A historic image of the site (photograph)
- Approval from the site owner/manager
