## By the People: the Minneapolis Neighborhood Revitalization Program

The first five segments of **By the People: the Minneapolis Neighborhood Revitalization Program** will be shown at the Ritz Theater on Sunday, November 14<sup>th</sup> at 6 p.m. The Ritz Theater is at 345 13<sup>th</sup> Ave. NE in Minneapolis.

**By the People** is a multi-episode look at the twenty years of the Neighborhood Revitalization Program (NRP). It was filmed at neighborhood events and meetings by the staff of the Minneapolis Television Network and edited by John Akre.

The five half hour episodes of **By the People** look at different aspects of the NRP, such as the neighborhood planning process and the way the program builds a sense of community. It also looks at the projects jump-started by the NRP in areas like housing and economic development. The story is told by hundreds of community volunteers who were interviewed at events and meetings starting in the early 1990's.

There is a suggested donation of \$10 that will go to the Ritz Theater.
